

New Member Promotion Announced at Oneida Community Golf Club

NEW MEMBERS GET THREE MONTHS FREE

New Members can join the Oneida Community Golf Club for a Joining Fee of \$300.00, and then don't begin paying monthly dues until April 1st, which covers a full membership for the balance of 2023.

The New Member will receive monthly discounts on their dues payments based upon their membership category ranging from \$15 to \$50 per month.

For example, if the New Member is in the Single under 35 category, the full monthly installment amount would be \$62.00*. Under the New Member promotion, the New Member would receive a monthly discount of \$15.00*, lowering their installment payment to \$47.00*.

So, in addition to reduced monthly dues installments, the new member pays only 9 months for a 12 month membership.

Existing members who refer a new member qualify for credits which can be used at the restaurant or for golf and cart fees, or to offset some of their own monthly dues.

Players who were League Only or Social Members in 2022 and former OCGC members will qualify to participate in this New Member promotion.

Don't wait. This promotion expires on May 15, 2023.
